

Spartan Summer Reading 2023

Grades 1 - 5

All St. Michael School students are expected to read over the summer.

Why? Summer reading:

- ★ is fun!
- ★ promotes vocabulary development.
- ★ helps prevent reading level "backsliding" before entry into the next grade level.
- ★ encourages imagination and offers adventure.
- ★ provides relief from late-summer boredom and reduces "screen time."

Requirements: Students record the books they read over the summer on the **Spartan Summer Reading Record (back of this page)**. This written reading record is due **on/or before Thursday, September 7, 2023**.

The **minimum** reading requirements to earn full points for summer reading are listed below. **These requirements are according to the grade level the student is entering fall 2023.** Students are encouraged to read more than the minimum requirement.

- ❖ 2nd grade: 10 "picture" books and/or 1-2 chapter books
- ❖ 3rd grade: 3 chapter books
- ❖ 4th grade: 4 chapter books
